

## Announcements

10/12/17

### Info

- 1) Attention students. We have had a large amount of students in the hallways during lunch. The hallways are off limits since we have classes still in session and student traffic causes a disruption. If you are going to see a teacher at lunch you must have a pass and you need to get there quickly. Thank you for your help on this.
- 2) In addition, we have been seeing students tip other students water bottles as they are drinking. This is dangerous behavior that could lead to injuries and spills that pose a hazard to other students. Behavior of this type is considered Rough Housing and will result in a referral.
