Sports

Students attending the tournament today at 3 will be charged \$1 and **NOT** allowed to take any food or drinks into the gym due to recent issues with them not throwing away their trash and spilling drinks all over the place. I will not continue to clean up after you or expect our janitors to.

Concessions can be consumed in the gym lobby area only by students!!!!!!

Many students have been sticking around after school and awaiting Basketball games, this is not allowed as you have no supervision on site. You are more than welcomed to return to the gym about 15 minutes before the event.

Our wrestlers travel to Los Lunas this Saturday for a tournament.

The PBS focus for December is GRATITUDE, which is so important to keep in your heart and in the front of your mind. It is easy to focus on what we don't like, and forget all of the things for which we can be grateful. Get a post-it note from the library to post on our wall what you are grateful for right now.

Quote of the day: Develop an attitude of gratitude, and give thanks for everything that happens to you, knowing that every step forward is a step toward achieving something bigger and better than your current situation. **Brian Tracy**
