

# RRMS Positive Behavior Support Programs and Rewards

## ***Positive Office Referrals (Throughout the Year)***

Staff may nominate students for displaying our PBS attributes on campus. Each nominee gets the referral, along with a small prize. Students who are nominated will also have their name posted on the Wall of Fame in the cafeteria. All students who are nominated also have their name entered in monthly and end of semester drawings.

## ***Friday Lunch Jams (Throughout the Year)***

Beginning the week of September 18<sup>th</sup>, the student body can earn music at lunch on the following Friday for keeping the cafeteria clean. In order to win the reward, the cafeteria must pass the Custodial crew's inspection for 5 days in a row.

## ***Musical Passing Periods (Throughout the Year)***

If the student body has 5 days of good conduct in the hallways (no rough housing, bullying, fighting, student aggression, public displays of affection, or vandalism in any of the three grades), we will play music at passing periods throughout the day on that following Friday.

## ***Fun Day (End of Year)***

At the end of the year the PBS committee puts on our annual fun day. To earn this reward students must meet the following two criteria:

- 1) Students may not earn 5 pts or more from Office Referrals. The following values were reviewed with students and documented in their agendas on Monday, August 20<sup>th</sup>. This point system lasts for the entire year leading up to the event.
  - Level 1 Infractions (1 point each)
  - Level 2 Infractions (2 points each)
  - Level 3 Infractions (Immediate 5 points)
- 2) Students must have 80% or more of their work turned in for ALL classes for second semester. We will run the first semester as a trial run and work with students to achieve that mark throughout the year. This will also include making up missed work due to absences.
