## Native American Parent Advisory Committee

### Announcements

Our own Miss Indian RRPS Amaya Huskey and Jr. Miss Indian RRPS Jessica Sanchez have been keeping busy by attending area events and representing Rio Rancho Public Schools with pride and dignity.

They both attended the **Native American Arts & Crafts Event** held at Rio Rancho Elementary on December 8, 2017, and assisted the students with making artwork, jewelry, and engaging in conversation with both the students and parents in attendance.

On December 16, 2017, along with the Rio Rancho High School Native American Student Union, the young ladies participated in the **2017 Rio Rancho Winterfest Parade** held at City Hall. The group's float focused on the theme of Candyland and also incorporated Native American aspects.

On January 28, 2018, Miss Huskey and Miss Sanchez attended the **Bernalillo High School Native American Pageant**. They dressed in full regalia and introduced themselves to other local royalty.

*Thank you for doing an outstanding job, Amaya and Jessica!*
