Info

- 1) Attention students. We have had a problem recently with students throwing footballs or trying to knock them out of each other's hands. This has led to tempers rising and situations occurring as a result. If you have brought a football, it needs to be put away in a backpack during passing periods. If this continues to be a problem, we will have to limit this privilege.
- 2) Also, we have been seeing a lot of students trying to head out of the cafeteria into the courtyard with food in their possession. A reminder that food needs to stay inside and when you are finished, you may proceed outside. Let's all work together to keep our campus clean.
- 3) REMINDER: TONIGHT,, Rio Rancho High School will welcome parents and students from the Class of 2022 to their annual 8th Grade Parent Night. The evening will begin at 6:30 p.m. with a brief welcoming ceremony in the gym, then move to the Cafeteria for the Activities Expo.
- 4) Trivia: What was the first feature length animated Disney film? Snow White and the Seven Dwarfs
